28th August 2019

Dear Parents/Carers

BENMORE GARDENS SCHOOLS WEEK

The pupils have been invited to participate in Benmore Schools Week on Wednesday 4th September 2019. They will be involved in a series of workshops throughout the day which include,

Teddy Bear's Picnic - P1-P3 pupils will join Edward Bear on a magical sensory adventure, to learn about the wonders of nature and discover how living things obtain the necessities of life. Pupils will explore the garden and they will think about how they can help look after the environment.

Every Picture Tells a Story - P4-P7 pupils will explore the garden through the lens of the photographic medium. In our modern world we are increasingly using pictures to express ourselves and tell our personal stories. Pupils will be introduced to techniques that will enable them to focus and observe the natural world in different ways and to capture the essence of the garden. Through hands on activities pupils will bring these abstract concepts to life and help build creative skills they can take away with them.

We will leave the school at 9.30am and return at 2.30pm. Transport will be by school mini bus.

We would appreciate it if the children could bring a packed lunch and a drink. All children should wear their school jumper and outdoor clothing.

Please fill in and return the attached permission slips as soon as possible.

Yours faithfully

Lauri Trumble
Principal Teacher
