Dear Parent/Carer

Attached is a copy of your child's Curriculum Bulletin showing some of the learning outcomes for this term. These will be assessed at the end of term and a copy will be sent home.

Homework will be sent home as usual. Parents can decide whether or not they would like their child to do the homework; there is no expectation that homework will be completed. The only homework that we expect to be carried out is reading; this could be your child reading individually, with someone else or someone reading to them.

The Parent Hub page on our website will be updated in the coming week to include extra homework activities and suggestions for learning at home for those families looking for extra activities. These activities include short activities as well as longer project ideas.

Once a month we have a sharing assembly where the children can share their wider achievements. Children can bring in any extra homework or projects to share with the school at the assembly. These assemblies are also an opportunity for the children to share their wider achievements e.g. sharing a new skill they have learnt and competitions they have entered. We like to hear about all achievements so please support and encourage your child to participate in them.

The sharing assemblies for this year are:

Wednesday 2nd October 2019
Wednesday 6th November 2019
Wednesday 4th December 2019
Wednesday 8th January 2020
Wednesday 5th February 2020
Wednesday 4th March 2020
Wednesday 1st April 2020
Wednesday 6th May 2020
Wednesday 3rd June 2020

Parent/teacher appointments will take place in November. A letter will be sent home nearer the time. As always, if you would like a meeting before this please do not hesitate to contact us.

Yours faithfully,

Lisa Marle
Head Teacher
