February 2017

Firstly I would like to say a huge thank you to you all for your support throughout last term. I would like to welcome our newly appointed janitor Mr Nitschke to the school. We have a busy next term with various staff going on courses to further develop their skills. We are hoping to organise a trip linked to our Farm to Fork topic, the children have already shown real enthusiasm in their learning so far.

Lauri Radford
Principal Teacher

PE

We are going to be implementing another PE lesson on Wednesdays so please could all children have their PE shoes with them, I know they have a lot to bring with them but if they have trainers as a change of shoes from their wellies that would be great or if you would prefer PE kits to come in on a Monday and be left until Friday. A little reminder that gym shoes are to be non-marking soles.

WOW Wednesday

We have been very busy on our working together Wednesdays, we have been working together to develop a growth mindset, working hard to change our attitude to be positive and taking on new challenges and believing that we can do it. We have been building on our creativity and team work while out in the forest exploring sticks and natural materials. The children have also worked very hard to tidy up the garden area.

Interdisciplinary Art Topic

As you all know our Interdisciplinary art topic was a huge success. All children learned and developed new skills by the work of famous/local artists. They set up their own business and managed to make a profit of £534.70. All children took their roles within the gallery very seriously and developed a variety of skills involved in running a business. A big thank you for your support through this and I am sure most of you enjoyed the evening of the auction as much as we did.

Christmas

As usual Christmas was a busy time; the children did us proud with their lovely singing at Morrisons and at Dalriada and of course our Carols by Candlelight. We managed to raise £160.54 at Morrisons. A special thank you to all of you who organised the Christmas movie fundraiser which was a lovely evening.

School Holidays

A little reminder of the February break next week. Children are off all week and will return to school Monday the 20th February.
