2nd October 2019

Dear Parent/Carer,

**Parent Information Evening on New Approach to Tracking and Reporting (Primary and Secondary)
Thursday 24th October 6pm – DGS Forum**

I am writing to you to invite you to the above event taking place here at Dunoon Grammar School. As of August 2019, a new approach to tracking the progress young people are making within their learning is being adopted across all primary schools and secondary schools in Argyll and Bute up to end of the Broad General Education (P1-S3). This also includes the way in which this progress is being reported.

The aim of this evening is to support your understanding of this new approach being taken to tracking and reporting. This means that when you receive your young person's first report of the session it will hopefully make more meaning to you.

This event is for all parents and carers of our cluster primary schools learners as well as parents and carers of Dunoon Grammar School young people.

The event will run in the Dunoon Grammar School Forum and it anticipated to take no longer than 30 minutes. Dunoon Grammar School Senior Management will be accompanied by Cluster Primary Headteachers as we take a collaborative approach in supporting our parent/carer community.

Should you have any questions about the above event, please do not hesitate to contact me.

In the meantime, I hope to see you on the 24th and wish you all a lovely October break when it arrives.

Yours sincerely,

Sam Stewart
Depute Headteacher (Broad General Education/Year Head for S1-S2)

*We see Dunoon Grammar School as a school at the heart of our community
where we are striving together to achieve excellence*
