10th December 2019

Dear Parents/Carers,

As it is that time of year again when thoughts are turning to the Christmas concert I wanted to write in advance to inform you all of the authority guidance we are following with regard to photos and videos.

Family members will be able to take videos and photos of events in school (e.g. Christmas Concert) provided they are for your own use and will not be shared. If you wish to put the footage on social media then you should ensure that the footage is only of your own child/ren. Photos or videos that include other children must not be posted on social media. This is for reasons of child protection and safeguarding and will protect the identity of other students in the school whose images are not to be made public or shown on social media.

To ensure that you can continue to film and take photos of events such as the Christmas performance I would appreciate your support with this.

Yours faithfully

Lisa Marle
Head Teacher
